SPONSOR REQUEST

When COVID19 hit our country, we all felt the impact of change in our lives. Youth were forced to continue school virtually and sports came to a halt. But youth raising market animals for their 4-H project were spending more time in the barn caring for their livestock. Families across the state find themselves in a predicament as they relied on county fairs to hold events where they could exhibit and market their projects. We are all aware that fairs throughout the state have canceled, and unfortunately, in Cambria County we have also felt the disappointment of a canceled venue.

However, the Cambria County Youth Livestock Committee is proud to announce that we are hosting a Livestock Show and Sale in September for those youth in Cambria County who are raising market animals as 4-H projects. With support from the American Legion County Fair, we are working together to provide two show days and a livestock auction.

In order to carry out this event in a manner that can reward our youth for their efforts we will need support from our community. Our sponsors will receive advertising on banners at the event AND through various forms of media. Sponsorships in the Silver, Gold and Platinum level will also have their name/logo on the event t-shirt.

Please consider contributing in some way to help the young people in our community remain involved in agriculture.
